The NSS Unit CSIBER Trust's College of Non-Conventional Vocational Courses for Women, Kolhapur has been trying to follow and nurture the ideology of NSS in a manner that ensures the meaningful participation of all volunteers. The activities carried out in Special NSS Camp- 2024 have served as an eye-opener for the young NSS volunteers about the contemporary problems that our country is facing. The special initiatives, lectures, and activities undertaken during the camp have served as a milestone in fostering social responsibility and nationalism among young NSS volunteers. The college has always had a strong vision and commitment toward the service of society and its weaker sections. With a deep sense of gratification, we take pride in the successful completion of the camp by the NSS volunteers of the College. Our NSS Units have always worked with great enthusiasm and zeal toward the well-being of the community. Some of the community service activities of the unit include plantation drives, Swachha Bharat Abhiyan, Vaccine Drive camp, Plastic Collection Drive, cleaning of campus and surroundings by NSS volunteers, Awareness Programs, and sensitization programs on sanitation, hygiene, and cleanliness. We pledge to put our efforts towards social service and to be the first to stand out in helping our community. The inculcation of these activities, we believe will promote Clean, Healthy, and green surroundings throughout the world. The activities done by the NSS volunteers during the camp helped them to equip themselves with insight, sensitivity, and a close understanding of the problems that are faced at the grass root level. With the field experiences, our volunteers have learned how to lead a life of dignity with a positive mindset and contribute to the growth of the Nation in one or the other way. We take this opportunity to express our gratitude to Prof. A. R. Kulkarni, our worthy Principal, and the Secretary & Managing Trustee Dr. RA Shinde Sir and C. A. Rishikesh Shinde Sir for their valuable input, guidance, and support throughout the year. We congratulate and extend our best wishes to NSS volunteers, teaching, and non-teaching staff who have made this journey a success due to sincere and sustained efforts and for their keen efforts to accomplish the targets in the planned activities.

## NSS SPECIAL CAMP

Special Camping forms an integral part of the National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing, and constant interaction with the community.

The primary objectives of the special camping programs are:

- ❖ Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face-to-face with the prevailing situation of the community
- ❖ To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities
- ❖ Encouraging the students and non-students to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline, and healthy and helpful attitudes towards the community.
- ❖ Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
- ❖ Emphasizing the dignity of labor and self-help and the need for combining physical work with intellectual pursuits, encouraging youth to participate enthusiastically in the process of national development, and promoting national integration through democratic living and cooperative action.
