Subject: Organizing a Power Talk on Women Entrepreneurship: Opportunities in StartUps  
for your Students

Dear Sir/Madam,

Greetings of the Day!

'OpEx – Humanity First' is a Social Initiative of OpEx Accelerator Private Limited, a Skill Development Company based in Kolhapur which has impacted more than 1,00,000 Students.

We've come up with 45-min power talk to empower women/students. Women empowerment can be defined as in promoting women's sense of self-worth, their ability to determine their own choices, and their right to influence social change for themselves and others.

Our Speaker for this Talk, will be Anjori Parandekar, Founder, CiREE EduTech LLP (CiREE - 'India-Croatia StartUp Challenge 2022' Winner). Being a StartUp founder, she has delivered more than 20+ Sessions & Talks at various Educational Institutions across India.

Few women entrepreneurs transpire a change in the society and Ms. Anjori Parandekar is one of them. To create awareness amongst women/students about Women Empowerment, we are reaching out to the youth at almost every college. With 45 minutes power talk, our speaker will educate and motivate students to take up interest in the field of StartUps and Entrepreneurships.

Sir/Madam, we truly believe that you'll contribute in this noble and self-less cause and thus, we strongly look-forward that, you will schedule one power talk to all your students at the earliest.

Hence, we look forward to your assertive response for the same.

Sincerely,

Team OpEx!
