Name of the programme: Celebration of World No Tobacco Day

Day and Date: Wednesday, 31st May 2023

Time: 10:00 am

Topic/Theme: "Grow food, not tobacco"

Participants: Two-hundred students and thirty teaching and non-teaching staff

Brief Summary:

CSIBER Trust's CNCVCW, Kolhapur has observed "World No Tobacco Day" as informed in the circular from Shivaji University, Kolhapur. Every year, on 31st May, the World Health Organization and global partners observe World No Tobacco Day (WNTD). This year's theme was "Grow food, not tobacco". The 2023 global campaign aims to raise awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops. It also aimed to expose the tobacco industry's efforts to interfere with attempts to substitute tobacco growing with sustainable crops, thereby contributing to the global food crisis.

our college NSS unit organized the pledge-taking ceremony for all the students, teaching and non-teaching staff on 31st May 2021. A total of two hundred, and thirty faculty and non-teaching staff participated in the pledge. The pledge for faculty and non-teaching staff was facilitated by Ms Tejaswini Chile, NSS Program Officer. The overall programme was coordinated by Ms Rashika Desai, Assistant Professor, B. Com. Bank Management

We are thankful to Principal Prof. Dr. V.S.Dhekale sir and Secretary & Managing Trustee Dr. R.A.Shinde Sir for their constant support and cooperation.

Name of the programme: Panhala to Pavankhind Motivational Camp

Day and Date: Saturday, 28th December 2022

Time: 7:00 am

Participants: Eight NSS Volunteers

Brief Summary:

Shivaji University, Kolhapur National Service Scheme organized "**Panhala to Pavankhind Motivational Camp**" CNCVCW. Eight NSS Volunteers participated actively. This trek has been organised to motivate the youth of Maharashtra by the thrilling experience of the history of the Great Maratha King Chhatarapati Shivaji Maharaj.

An adventure camp always offers a welcoming, lively, positive, safe and diverse environment where students gain confidence and build self-esteem. NSS volunteers of CNCVCW got a golden chance to attend One-day Panhala to Pavankhind Motivational Trekking Camp on 28th December 2022.

Shivaji's escape from the siege of **Fort Panhala** on a rainy night, the subsequent frantic chase given by the Bijapur forces and the battle of **Pavankhind** culminating in the inspiring sacrifice by **Baji Prabu Deshpande** and 300 Maratha soldiers is the stuff of legends. The 75 Km-long route of the escape is broadly known. It extends across a portion of **Kolhapur** district in Maharashtra, from **Fort Panhala** to **Fort Vishalgad**. On this route, **Pavankhind** lies at a distance of 55 Km from **Fort Panhala**.

The volunteers of Panhala Pavankhind Motivational Camp try to witness the thrill of the historic escape of Shivaji Maharaj and the battle of Pavankhind. In the end, volunteers paid tribute to the great Maratha warriors who sacrificed their lives to safeguard their homeland!

The NSS Unit CSIBER Trust's College of Non-Conventional Vocational Courses for Women, Kolhapur has been trying to follow and nurture the ideology of NSS in a manner that ensures the meaningful participation of all volunteers. The activities carried out in Special NSS Camp-2023 have served as an eye-opener for the young NSS volunteers about the contemporary problems that our country is facing. The special initiatives, lectures, and activities undertaken during the camp have served as a milestone in fostering social responsibility and nationalism among young NSS volunteers. The college has always had a strong vision and commitment toward the service of society and its weaker sections. With a deep sense of gratification, we take pride in the successful completion of the camp by the NSS volunteers of the College. Our NSS Units have always worked with great enthusiasm and zeal toward the well-being of the community. Some of the community service activities of the unit include plantation drives, Swachha Bharat Abhiyan, Vaccine Drive camp, Plastic Collection Drive, cleaning of campus and surroundings by NSS volunteers, Awareness Programs, and sensitization programs on sanitation, hygiene, and cleanliness. We pledge to put our efforts towards social service and to be the first to stand out in helping our community. The insemination of these activities, we believe will promote Clean, Healthy, and green surroundings throughout the world. The activities done by the NSS volunteers during the camp helped them to equip themselves with insight, sensitivity, and a close understanding of the problems that are faced at the grass root level. With the field experiences, our volunteers have learned how to lead a life of dignity with a positive mindset and contribute to the growth of the Nation in one or the other way. We take this opportunity to express our gratitude to Prof. Dr. V. S. Dhekale, our worthy Principal, and the Secretary & Managing Trustee Dr. R. A. Shinde Sir and C. A. Rishikesh Shinde Sir for their valuable input, guidance, and support throughout the year. We congratulate and extend our best wishes to NSS volunteers, teaching, and non-teaching staff who have made this journey a success due to sincere and sustained efforts and for their keen efforts to accomplish the targets in the planned activities

NSS SPECIAL CAMP

Special Camping forms an integral part of the National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing, and constant interaction with the community.

The primary objectives of the special camping programs are:

- ❖ Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face-to-face with the prevailing situation of the community.
- ❖ To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.
- ❖ Encouraging the students and non-students to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline, and healthy and helpful attitudes towards the community.
- ❖ Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
- ❖ Emphasizing the dignity of labor and self-help and the need for combining physical work with intellectual pursuits, encouraging youth to participate enthusiastically in the process of national development, and promoting national integration through democratic living and cooperative action.

A woman makes some kind of sacrifice at every stage of life. Pandava Sir used the example that as milk is sweetened with sugar, women in every family keep the sweetness. It is very unfair to determine a person's personality on a single glance. For mental health, perceptions, attitudes, and emotions are crucial. She explained the concept of Depression that it is so harmful in this day and age and that crying is the best medicine." She taught us to constantly strive to make our lives more beautiful than our objectives.

After the session, volunteers enjoyed their tea at 5 in the evening. The cultural program was conducted from 6 pm to 7.30 pm. After the program, they had their dinner at 8. The volunteer went to bed at 9 pm.
