**Principal**  
College of Non-Conventional  
Vocational Courses for Women  
Kolhapur,

**Name of the programme:** Celebration of World No Tobacco Day

**Day and Date:** Wednesday, 31<sup>st</sup> May 2023

**Time:** 10:00 am

**Topic/Theme:** "Grow food, not tobacco"

**Participants:** Two-hundred students and thirty teaching and non-teaching staff

**Brief Summary:**

CSIBER Trust's CNCVCW, Kolhapur has observed "World No Tobacco Day" as informed in the circular from Shivaji University, Kolhapur. Every year, on 31st May, the World Health Organization and global partners observe World No Tobacco Day (WNTD). This year's theme was "Grow food, not tobacco". The 2023 global campaign aims to raise awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops. It also aimed to expose the tobacco industry's efforts to interfere with attempts to substitute tobacco growing with sustainable crops, thereby contributing to the global food crisis.

our college NSS unit organized the pledge-taking ceremony for all the students, teaching and non-teaching staff on 31st May 2021. A total of two hundred, and thirty faculty and non-teaching staff participated in the pledge. The pledge for faculty and non-teaching staff was facilitated by Ms Tejaswini Chile, NSS Program Officer. The overall programme was coordinated by Ms Rashika Desai, Assistant Professor, B. Com. Bank Management.

We are thankful to Principal Prof. Dr. V.S.Dhekale sir and Secretary & Managing Trustee Dr. R.A.Shinde Sir for their constant support and cooperation.

## NSS SPECIAL CAMP

Special Camping forms an integral part of the National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing, and constant interaction with the community.

The primary objectives of the special camping programs are:

- ❖ Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face-to-face with the prevailing situation of the community.
- ❖ To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.
- ❖ Encouraging the students and non-students to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline, and healthy and helpful attitudes towards the community.
- ❖ Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
- ❖ Emphasizing the dignity of labor and self-help and the need for combining physical work with intellectual pursuits, encouraging youth to participate enthusiastically in the process of national development, and promoting national integration through democratic living and cooperative action.

A woman makes some kind of sacrifice at every stage of life. Pandava Sir used the example that as milk is sweetened with sugar, women in every family keep the sweetness. A lady handles any problem by providing her family with steadfast support. She occasionally assumes the identities of Adishakti, Durga, and Kali." It is very unfair to determine a person's personality on a single glance. For mental health, perceptions, attitudes, and emotions are crucial. She explained the concept of Depression that it is so harmful in this day and age and that crying is the best medicine."
