## RESOURCE SHARING AGREEMENT

### Introduction (Complete the Resource Sharing Agreement Form)

This document is a voluntary agreement to govern interlibrary resource sharing among libraries in the Amigos Library Services. It is based on the premise that resource sharing among Amigos member libraries is in the public interest and should be encouraged; interlibrary borrowing is an integral part of collection development, not an ancillary option; interlibrary lending is vital to the success of every library's ability to borrow needed materials.

### I. Definition

Resource sharing is comprised of transactions by which a library makes its materials or copies of its materials available to the clientele of another library upon request.

### II. Purpose

The purpose is to obtain, upon request of a library's primary clientele, materials not available in the local library.

### III. Scope

1. Under the terms of this Agreement, any type of library materials may be requested. Libraries are encouraged to lend any materials that circulate outside the library to their own patrons and to be as liberal as possible in supplying materials of all formats with due consideration to the interests of the primary clientele.
2. Libraries signing the Amigos Agreement must be supplying libraries as well as requesting libraries. Libraries must be willing to lend if they wish to borrow. The benefits of the Agreement are not available to non-suppliers.
3. The Agreement covers resource sharing among those libraries who sign the Agreement, regardless of the method of transmission of requests and/or materials.

### IV. Responsibilities of the Requesting Library

1. Resource sharing does not relieve any library of the responsibility for providing collections necessary for its primary clientele, unless libraries have entered into special agreements.
2. Participating libraries should indicate their agreement by indicating their participation in the agreement in their borrowing note in their constant data records

**Prof. Dr. A. D. SHINDE**  
Founder

**Dr. R. A. SHINDE**  
Secretary & Managing Trustee

3. The requesting library must honor due dates and enforce all use restrictions specified by the supplying library. Requests for renewals should be made before the item is due. The requesting library should respond immediately to items recalled.
4. The requesting library is responsible for the safety of borrowed material from the time the material leaves the supplying library until it is returned to that library. If damage or loss occurs, the requesting library is responsible for compensation or replacement in accordance with the preference of the supplying library.

#### **V. Responsibilities of the Supplying Library**

1. The supplying library should process and respond to requests in a timely manner, with specific attention to a specified "Need By" date.
2. The supplying library should include sufficient information to identify the request and clearly state the duration of the loan.
3. The supplying library may recall materials at any time.

#### **VI. Expenses**

1. Signers of this agreement will not charge each other
  - A. Fees for handling interlibrary loan requests.  
Postage or other transportation charges.
  - B. For photocopies up to 50 pages per bibliographic citation. Charges beyond the 50 pages are at the discretion of the supplying library.
2. Some institutions operate both a traditional interlibrary loan service for primary patrons as well as a fee-based service for commercial clientele. Although signers will not charge each other for traditional ILL requests, they may charge for requests received from a library-sponsored fee-based service.

#### **VII. Violation of the Agreement**

The requesting and supplying libraries are responsible for compliance with the provisions of this agreement. Continued violations may result in suspension of borrowing privileges.

## Who is eligible to join?

The E-Shodh Sindhu Consortium is open to Ministry of HRD funded Higher Education Institutions and universities / colleges that are covered under 12(B) and 2(f) Sections of the UGC Act. Deemed Universities fully or partially funded by UGC Through the AICTE, Government Engineering Colleges and universities having engineering departments/faculty are also provided access of Engineering resources.

## How to join?

Eligible CFTIs and Universities wishing to join the Consortium may request for membership of the Consortium being executed by INFLIBNET Centre, Gandhinagar

Please visit the Online e-Resource Requisition System for joining the consortium in its new model from 2018 at <http://ess.inflibnet.ac.in/oes/>

## N-LIST Programme for Colleges

All Govt aided colleges covered under Section 12B of UGC Act are eligible to access e-resources through the N-LIST programme. Non-Aided colleges (except Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing) can get benefit from the N-LIST Programme by joining the NLIST Programme by registering themselves online at the NLIST Website

The INFLIBNET Centre receives numerous queries from Colleges regarding membership to Shodhganga and e-ShodhSindhu. Following clarifications are being provided in this regard:

**Shodhganga:** Shodhganga is an Open Access Repository of full-text theses submitted to universities in India. Membership is not required to browse, view, search and download theses available in Shodhganga. However, INFLIBNET signs MoUs with universities so as to facilitate submission of electronic version of theses into Shodhganga and synopses/approved research proposals into Shodhgangotri. The eligible universities that signs MoUs with INFLIBNET Centre on Shodhganga are provided access to anti-plagiarism software. Colleges are not eligible for this benefit. (Details are available at <http://shodhganga.inflibnet.ac.in>)

**e-ShodhSindhu:** Colleges that are covered under 12(B) & 2(f) Sections of the UGC Act and are under direct purview of UGC are entitled to get access to e-resources under NLIST programme except for Colleges imparting education in Agriculture, Engineering, Management, Medical, Pharmacy, Dentistry and Nursing. NLIST is college component of e-ShodhSindhu. NLIST subscribes to a sub-set of e-resources that are subscribed under e-ShodhSindhu. As such, Colleges that are already getting access to e-resources under NLIST do not require membership of e-ShodhSindhu. (More details are available at <http://nlist.inflibnet.ac.in/members.php>)
